26th April, 1971

Dear Sirs,

Please receive herewith your current copy of the "Peerage" Distributors Trade Price List.

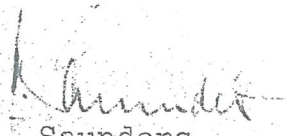

This list together with Catalogue and Supplements in your possession will bring you up to date with the very wide range available and the opportunity to be of service to you again is keenly anticipated.

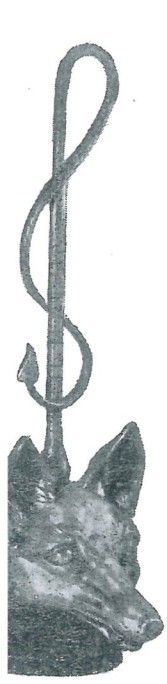

Your co-operation in advising us NOW of your forthcoming requirements to avoid delays in the busy time ahead would be appreciated. You will understand that we have to accommodate a three week holiday (vacation) programme for all our workpeople during July and August, and this does put a severe strain on handling the volume of business we receive for delivery during this period, and the busy months following.

Don't be disappointed, therefore, send in your instructions NOW and enable us to give serious attention to your requirements.

Many thanks in advance for your usual co-operation.

Yours sincerely,
PEARSON PAGE JEWSBURY CO. LTD.,

L. Saunders,
Sales Director.

Ferroware by "Peerage" brings a new look in metal decorative accessories made to give enduring service. It has the mellow antique look of Pewter combined with the sturdy feel and weight of ore cast in years of old. Ferroware has been specially treated to prevent discolouration.

See Price List for details of keen, attractive prices.

REPRODUCTION PEWTERWARE

For centuries, Pewter has been manufactured in England and it still graces the homes of history, as well as new homes, with its air of beauty and dignity.

The articles in this catalogue are faithful reproductions of old pieces and the expert finish imparts a feeling of gracious antiquity.
