GALLERY GUIDE AND CHECKLIST

This exhibition of PEWTER IN AMERICA is made possible by the joint sponsorship of the Litchfield and Goshen Historical Societies. We would like to also thank the collectors who contributed generously to make this exhibit possible:

Canon & Mrs. Lockett Ford Ballard
Lockett Ford Ballard, Jr.
Mr. & Mrs. Whitney L. Brooks
Mr. & Mrs. Alexander Saunders
Torrington Historical Society

The Litchfield Historical Society collection would not be possible without the munificent gift of pewter from Mrs. Elizabeth (Wolcott) Hamilton in memory of her sister, Julia Wolcott. All pieces listed as EWH are from this collection.

The Goshen Historical Society would like to thank its first President and generous benefactor, Miss Alice L. Carlisle, whose gifts are noted herein. Mrs. Alice Scoville Ingham's magnificent gift of pewter is listed as ASI.

The Board of the Litchfield Historical Society would like to add special thanks to Mr. & Mrs. T. D. Williams for their generous work in identifying and preserving the pewter collection. Without their special knowledge and help, this checklist would contain far more "unknown" and unidentified entries.

We wish to thank Old Sturbridge Village for casting the spoon and button molds.

Checklist entries: a. # in exhibit; b. type of object; c. principle measurement (h = height; d = diameter; l = long); d. maker's name where known; e. maker's residence or area of origin; f. dates (specific working dates when known, general era if maker unknown - AM = America, ENG = England, CON = Continental); g. collection; h. accession #; i. donor.
